## Testimonials

The work flows very well, who ever reads the book will have a strong connection with your excellent content. Great work in creating a book for the entrepreneur. You certainly dispel a lot of fear from endeavoring to act on an idea.

Peter Shutlz Editor

"This book really got my juices going...Audio was motivation can't wait to work on my success stories....This is something I will read and listen to regularly to keep me on track .."

UC Davis Scholar P. Young

"I have been an entrepreneur for years and after listening to the audio and working the journals made me want to get myself and my business more in order new ideas in the works....

**CEO Blackstone Investments** 

Refreshing, it became a part of my daily activity. You can utilize it not just as an entrepreneur but in your everyday life. I really love how the author related personal life situations to accentuate each tip. You can tell this author has experienced everything she writes about. It's straight reality. Definitely a good read, and excellent listen.
